Our Services

To help people enjoy life, by
offering affordable health care.

Vision Statement

We believe that we have a responsibility to offer quality and affordable health care to the community we serve and improve access for the underserved population by attention to clinical excellence, empathy and passion for our community's health.

This is based on our deep understanding of the diverse social and cultural diversity of the community we serve.

Mission Statement

- Excellence: We strive to give the best quality of care and are always learning ways to improve our performance
- Passion for care: We have passion for our work and our Team treats all our Clients with passion. “The patient matters most to us”.
- Integrity: We are principled, honest, and ethical, and we do the right thing for those whom we serve.
- Community responsibility: We are committed to the communities where we work and love.
- Mutual Respect: We live in a community which is diverse, and we embrace diversity and treat one another with dignity, respect and empathy.

Core Values

- To provide patient with high quality evidence-based care throughout the organization
- To focus on patients to ensure that we deliver services which are patient centered
- To maintain highest ethical standards in providing care to our patients and the community we serve
- To empower our staff to improve delivery of health care by continuous development of the workforce
- To support our communities in improving their health by health education and health promotion

The funds for the construction of the hospital building were donated by

□ 1. Jaffer Foundation (Dr.Mohamed .H.Jaffer \$ 500,000)

□ 2. Mohsin and Fauzia Jaffer Foundation (Dr. Mohsin Jaffer \$ 500,000)

□ 3. We are appealing to donors from our community and well-wishers worldwide to support us in equipping the hospital with Hospital Equipment and furniture etc, which is currently estimated to cost USD\$2 million.
