Dear Mrs. Jaffer and Mr Jaffer,

RE: DONATION TO BOMU HOSPITAL

On behalf of the Board of Trustees, the Management Team, and most importantly the patients under our care, we wish to extend our deep appreciation and gratitude for your most generous pledge of United States Dollars Five Hundred Thousand (USD 500,000.00) towards our various Social Programs.

Our Social Programs include HIV/TB Care and Treatment, daily feeding and medical care of orphans, delivery and caesarean sections undertaken in our maternity unit, post-natal care for HIV positive mothers, cleft lip and cleft palate repair in young children, fistula repair surgeries, women empowerment (including sewing skills and provision of machine), and outreach clinics.

We have also noted that areas of medical and related services which are of importance to you. In particular, we will work on a plan and the modalities of including eye care and surgeries in our service charter.

Your contribution will go a long way in assisting us in our goal of restoring the dignity and life of our patients.

May ALLAH reward you and your family abundantly for your donation.

With grateful thanks and appreciation.
