

Steven J. Green
School of International
& Public Affairs

December 20, 2023

Mohsin Jaffer, MD
3410 Stallion Ln
Weston, FL 33331-3035

Dear Dr. Jaffer,

In this holiday season of joy and goodwill, we extend our deepest gratitude to our donors and supporters who help build a better world. As the new Dean of the FIU Steven J. Green School of International & Public Affairs, I would like to take this opportunity to reconnect with you and thank you for your continued commitment to meeting your generous pledge of \$2,000,000 in support of the Mohsin & Fauzia Jaffer Center for Muslim World Studies. Your contribution helps us prepare the global leaders of tomorrow, support thoughtful discourse, and develop innovative approaches to address complex, contemporary challenges.

Recognized as one of the most prestigious schools of its kind, the Green School is home to nearly 5,000 students in eight departments that bridge the social science and humanities as well as several of FIU's most prominent international centers, institutes and programs. The Green School seeks to understand the world we live in and the challenges we face as one human family. Housed in the new west wing of the Green School Complex, the Jaffer Center provides a space to grow our team of impressive scholars as we continue to offer thoughtful dialogue and courses while advancing research and educational opportunities on Islamic studies and the Muslim experience.

We are grateful for your generosity and confidence in our work and thank you for being an invaluable part of our mission. I wish you and your loved ones a wonderful holiday season and a healthy and prosperous new year. I invite you to visit our new building in 2024 and reignite your engagement with the Jaffer Center as we look forward to another year of collaboration, shared goals and even greater successes together.

Sincerely,

Shlomi Dinar, Ph.D.
Dean

*I am honored
to work with
you in building
the Jaffer Center
as the global hub for
the study of the
Muslim World*
